WELCOME TO THE MONTH OF OCTOBER!

October was a month of celebration, exploration and memorable experiences at Mindscapes Children's Museum.

From celebrating Nigeria's Independence Day to welcoming schools on educational field trips and hosting regular visitors, we continued to create opportunities for children to learn, explore and discover through play.

COMMUNITY & PROGRAMME UPDATES

SCHOOL VISITS & FIELD TRIPS LEARNING BEYOND THE CLASSROOM

October also provided opportunities to welcome schools for educational field trips, giving children the chance to experience learning in a more interactive and engaging environment.

SANG BLEU ELEMENTARY

We welcomed Sang Bleu Elementary to Mindscapes for an engaging museum experience. Their visit provided pupils with an opportunity to explore, discover and interact with our exhibits in an environment that encourages curiosity, creativity and hands-on learning.

BRAIN ACADEMY

Brain Academy also joined us for a memorable visit. We enjoyed welcoming their group and providing an environment where learning, exploration and play come together.We appreciate both schools for choosing Mindscapes as part of their children's learning experiences.

OCTOBER HIGHLIGHT

CELEBRATING NIGERIA'S INDEPENDENCE

A DAY OF CELEBRATION, CREATIVITY & TOGETHERNESS

On October 1st, Mindscapes Children's Museum celebrated Nigeria's Independence Day with a special gathering for children and families.

The celebration brought everyone together for an enjoyable afternoon filled with fun, creativity and shared experiences.

It was a wonderful opportunity to celebrate our nation's heritage while creating meaningful and memorable moments for our young visitors.

AT THE MUSEUM

EVERY VISIT TELLS A STORY

Throughout October, we welcomed regular visitors, families and children who came to explore our exhibits and enjoy the many opportunities for discovery within the museum.

From interactive experiences to imaginative play, each visit reflected the importance of creating spaces where children can learn, explore, express themselves and build confidence.

Every visit brings a new opportunity for discovery, and we are grateful to all the families who continue to make Mindscapes part of their experiences

LOOKING AHEAD

NOVEMBER AT MINDSCAPES

A new month brings fresh opportunities to play, learn and discover!

As we step into November, we look forward to welcoming more schools, families and visitors while continuing to create engaging experiences that make learning enjoyable for every child.

Stay connected for updates on our upcoming activities and programmes.
